

# ADD \$1,000 TO THE BOOK VALUE OF ALL CERTIFIED PRE-OWNED VEHICLES\*!

Chrysler Capital is excited to enhance our Certified Pre-Owned Vehicle (CPOV) Program, providing you with an added benefit to help drive CPOV sales.

## Follow these simple steps to get your CPO vehicles on the road:

1. Select the certified option in Dealertrack or RouteOne during the application submission
2. Add \$1,000 to the clean trade for NADA or to the wholesale value for Kelley Blue Book
3. Include printout of the UVDR supporting the certification in the contract package

\*If the certified option is not included in the application stage, you will not receive the CPOV benefit. Vehicles must be certified prior to the contract date.
