

ADD \$1,000 TO THE BOOK VALUE OF ALL CERTIFIED PRE-OWNED VEHICLES*!

Follow these simple steps to get your CPO vehicles on the road:

1. CPOV and CPO Go vehicles are eligible
2. CPOV does not qualify for new-car pricing or incentivized rates
3. Select the certified option in Dealertrack or RouteOne during the application submission
4. Add \$1,000 to the clean trade for NADA or to the wholesale value for Kelley Blue Book
5. Include printout of the UVDR supporting the certification in the contract package

*Must be a FCA US certified vehicle. If the certified option is not included in the application stage, you will not receive the CPOV benefit.
