

MULTI-CHANNEL MARKETING

The right offer, to the right customer, at the right time. Each customer connects with information in different ways, that's why Chrysler Capital's marketing approach must have targeted, regional messages and great offers available to the FCA US customer in every touch point.

ALLEGIANCE TEAM

The customer's first point of contact for all lease-end activities, the Chrysler Capital Allegiance Team is their group of lease-end experts. For any questions regarding steps taken, team members are here to guide customers along the way and provide answers.

BILLING STATEMENT

With 96 percent of the 1.2 million Chrysler Capital customers receiving billing statements, we are keeping the right FCA US product offerings in front of our customers month after month. In 2016, more than 300 unique campaigns were delivered, 70 national and 236 regional monthly campaigns.

DIGITAL MEDIA

Quality video production creates connection and memory. In partnership with FCA US, Chrysler Capital leverages amazing vehicle assets and imagery to produce loyalty and incentive videos promoting the FCA US family of brands.

DIRECT MAIL

Snail mail still has its place in the digital age ... and still creates response. Every incentive period, Chrysler Capital works with each Business Center to design a targeted, regional mail piece, month-after-month for lease customers.

EMAIL

Chrysler Capital sent more than 6.6 million marketing communications in 2016. From automated brand and nameplate-specific email campaigns, Business Center requested incentive offer emails, and product launch support for the all-new Chrysler Pacifica, to lease pull-ahead campaigns, email is a key touch point for driving the customer back to the dealer showroom.

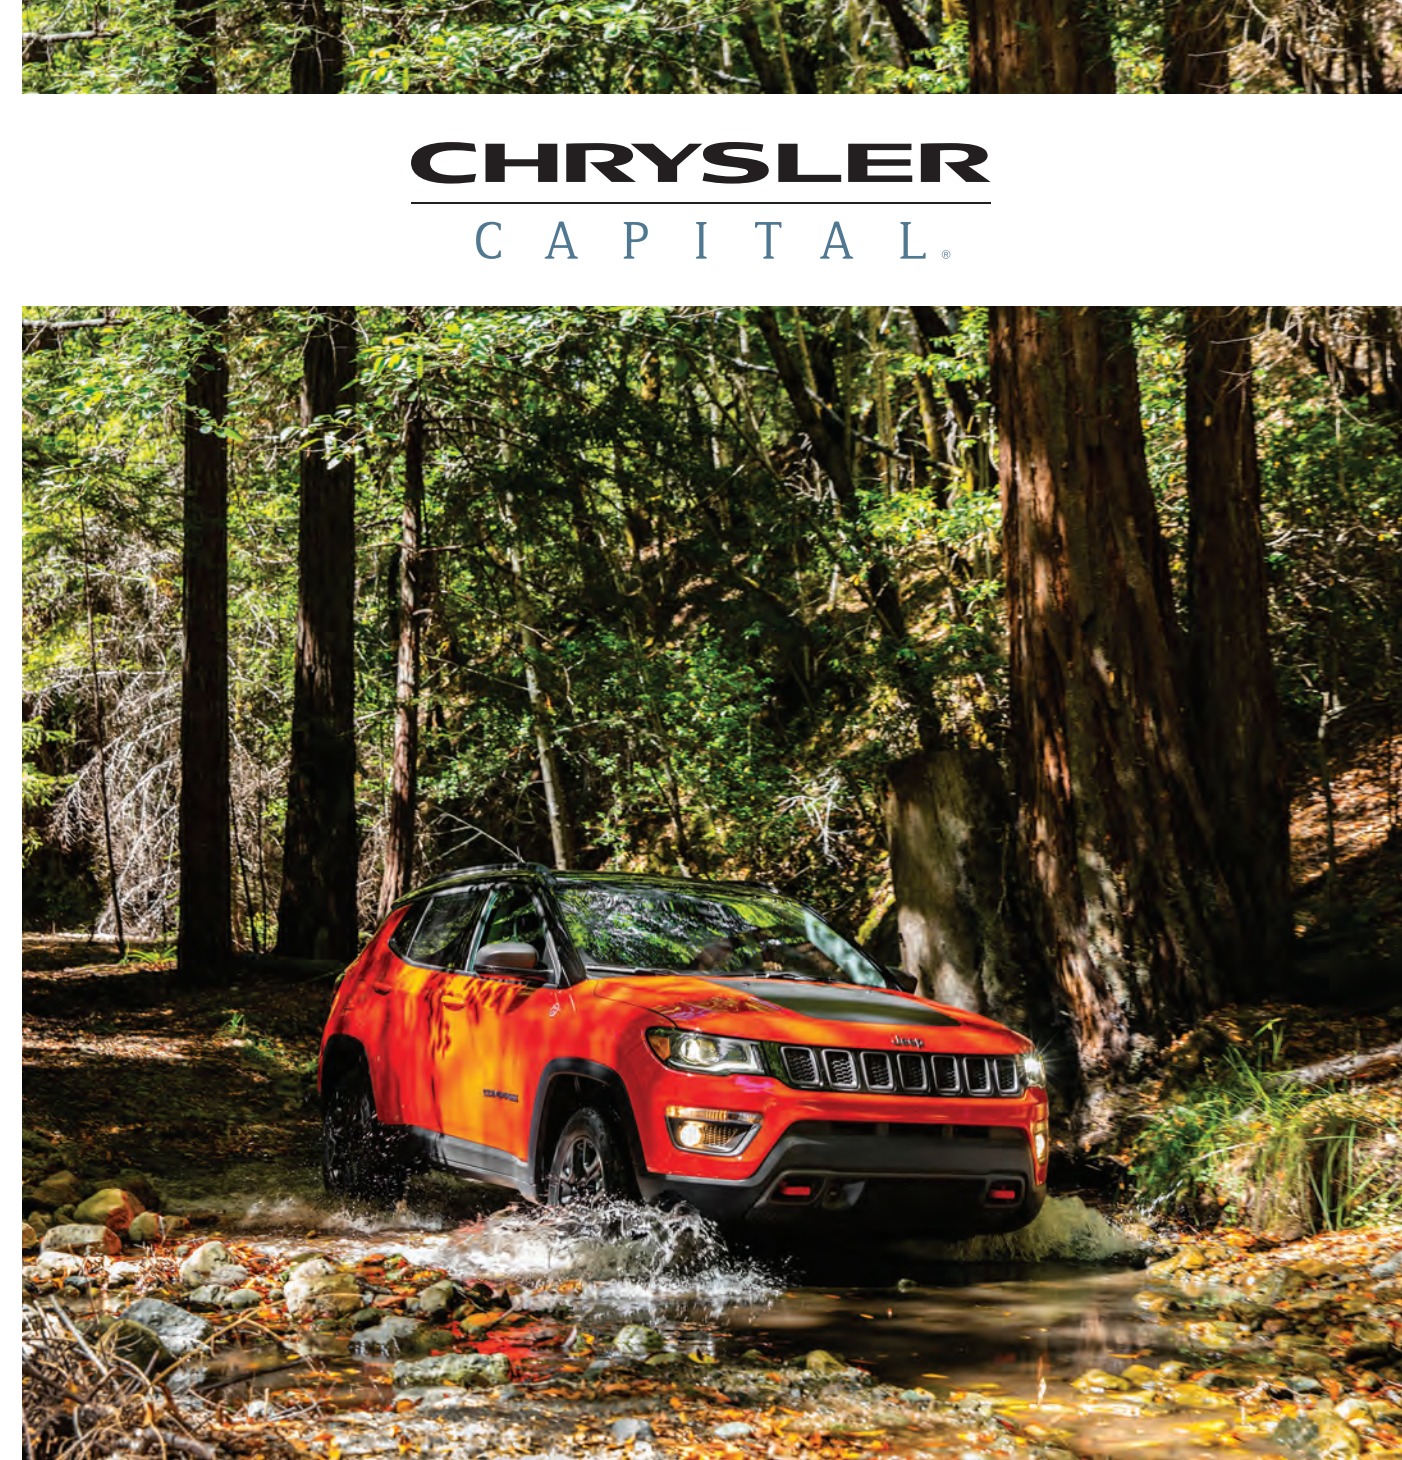

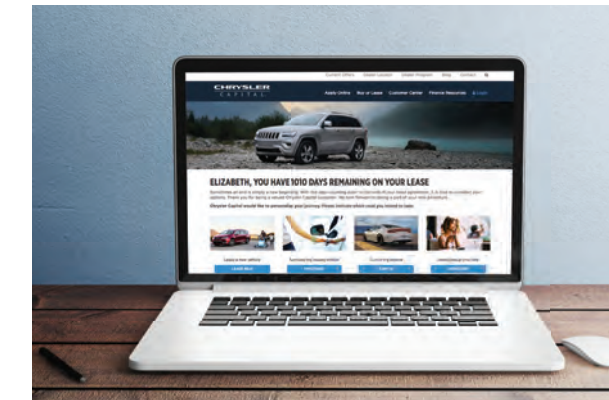

MYACCOUNT PORTAL

Chrysler Capital customers can log in to manage their account, make a payment, update their preferences and also link out to their Personal Loan or Lease webpage.

PERSONAL LEASE WEBPAGE

As the expiry clock ticks down on a Chrysler Capital lease customer, they are invited to explore their lease-end options, declare intent and learn more about the rewards of loyalty through their personal webpage.

There are several options available as you near the end of your lease. Here are a few possibilities:

- **LEASE A NEW FCA US VEHICLE**

- Drive a brand new FCA US vehicle with state-of-the-art technology and enjoy all the same benefits you have with your current Chrysler Capital lease.

A Chrysler Capital Allegiance Team representative will be in contact with you to review the above options in more detail and ensure any questions you may have are answered. If your intent is to turn in your lease, it will be necessary to schedule an appointment to determine wear and use on the vehicle. You will be contacted to schedule an inspection at a time and location that works best for you.

We hope Chrysler Capital is your first choice for your future lease or purchase options of Chrysler, Dodge, Jeep®, Ram and FIAT® vehicles. As always, if you have questions or concerns regarding your lease or lease-end options, please contact the Chrysler Capital Allegiance Team at 855-383-0558.
