

Chrysler Capital DriveAbility Program

Chrysler Capital is pleased to announce our DriveAbility program. The program is designed to meet the needs of customers with physical challenges, providing financial options for accessible vehicles. Take advantage of the Chrysler Capital DriveAbility program to combine the financing of necessary adaptive modifications with the financing of a new Stellantis vehicle.

Chrysler Capital DriveAbility financing program

The Chrysler Capital DriveAbility program is uniquely designed to give customers and dealers an attractive financing option for mobility upfits in new and used vehicles.

Eligibility

- » Valid for all Stellantis dealers
- » All qualified customers are eligible

Eligible vehicles

- » New, CPO and used vehicles

Model Year	DriveAbility Financing	
	Percent of DriveAbility Upfit	
	Stellantis	Non-Stellantis
2024 and 2023	100%	100%
Used 2022 and 2021	85%	70%

Additional details

- » Retail contracts only
- » Maximum miles at contract initiation = 50,000
- » Compatible for standard and incentivized rate programs
- » Non-commercial and commercial transactions
- » Original upfit invoice must be included
 - Invoice of the upfit must be identified by VIN and payable to the dealership
- » If no bookout is available on a newer unit, refer to like invoice valuation guidelines located in the [Retail Program Guide](#) on the [Chrysler Capital Dealer Website](#)

Advance guidelines

- » Refer to the [Chrysler Capital Commercial Rate Sheet](#) for advance guidelines
- » Commercial upfits are treated as a dealer installed option (DIO) that adds value; 100% of the upfit cost can be added to the manufacturer invoice price
- » We advance based on the cost of the vehicle, plus the cost of the upfit

Vehicle invoice/bookout (\$30,000.00) + Upfit Cost (\$10,000.00)

Loan-to-Value Calculation* (\$40,000.00)

- » To ensure the most accurate pricing and the most prompt funding decision, please send a message through RouteOne or Dealertrack with the cost and description of upfit(s)

* We will advance based on the total loan-to-value (LTV) calculation, including upfit.
