

# Congratulations!

We're proud to be your lending partner and look forward to servicing your account. This QR code will direct you to the Welcome Packet where you'll learn how to register\* for My Account, important contact information and find other useful resources.

*\*MyAccount can only be activated once your loan is activated with Chrysler Capital.*

## Create Your Online Account

To ensure your experience is a positive one, we offer an easy and convenient online account management tool called MyAccount. Signing up for MyAccount today will help you manage your account by allowing you to:

Make payments

Receive payment reminders via text

Access your account online 24/7

Request payoff information

Log in from any device

Chat with dedicated Chrysler Capital associates

View your due dates and payment history

Go "green" with Auto Pay and e-statements

## Information needed for account setup:

Consumer Account: Santander Consumer USA account number or the name, date of birth and Social Security number of the primary account holder available.

Small Business: Santander Consumer USA account number or the business name as it appears on your contract, the date of incorporation and your business tax identification number.
